Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for Oakridge Fusion High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Jason McVoy, principal, for assistance.

The AER is available for you to review electronically by visiting the following web site [Annual Education Report](#), or you may review a copy in the main office at your child's school.

During the 2014-2015 school year several key initiatives were undertaken including:

- School-wide PBIS practices were implemented to address the academic and behavioral growth of students. These practices include the use of SWIS for tracking student discipline records and the direct teaching of character skills in the daily curriculum.
- A Reading and Writing Workshop Model was also implemented to engage students in authentic and meaningful learning opportunities in ELA and Social Studies courses.
- To further deepen and extend student understanding of cross-curricular concepts, Project Based Learning continued to play a central role in student learning opportunities.

The Status of the 3-5 Year School Improvement

1. All students will improve in their ability to read grade level texts.
Teachers will collaborate in grade level meetings using data to form intervention groups and determine differentiated instruction. Teachers will use timely and appropriate interventions with students who need additional support.
2. All students will become proficient in writing, and Oakridge scores will continue to increase. *Writer's Workshop model will be used to implement effective writing strategies for narrative, informational and opinion/argument writing. Teachers will confer and work with students in small groups providing additional time on strategies when needed.*
3. All students will be proficient in mathematics.
Teachers will implement the common core math curriculum using an aligned scope and sequence. Timely interventions will be used for students not showing achievement of math concepts and processes.

A Brief Description of Specialized Schools:

Oakridge Public Schools does not have specialized schools.

How to Access a Copy of the Core Curriculum:

Oakridge Public Schools has joined the state of Michigan in adopting the Common Core State Standards. You may access a copy of the core curriculum standards and many other supporting curriculum resources on the district website (under the [curriculum channel](#)).

Student Achievement Results:

Please see the attached [Annual Education Data Report](#).

The Number and Percent of Students Represented by Parents at Parent-Teacher Conferences:

- Conference attendance at Oakridge Fusion High School for fall 2014 conferences were 1 students represented out of 48 or 2 % represented.
- Conference attendance at Oakridge Fusion High School for spring 2015 conferences were 5 out of 28 or 18 % represented.

Our staff truly embraces the importance of helping each student learn to his/her full potential. We are proud to share the excellent results of these efforts. Thank you for partnering with us to provide the educational experience for our students. As we reflect on the accomplishments of this past year, we can look forward to the opportunities and challenges for the 2015-2016 school year. With the combined efforts of staff, students, families, and community we will continue to grow and improve.

Sincerely,

Jason McVoy
Principal
