IX. PUBLIC COMMENTS At this point in the agenda, the public may address the Board of Education. (Please state your name and address. If your comments are a specific question, please speak with the appropriate staff member after the meeting.)

Gary White, community member—What’s happening on the school bus lights? He said there was an incident where one bus only used the yellow lights instead of the red lights. Or they should have used the hazardous lights. He said transportation said it was okay. He’d like to see the red lights used when the bus stops.

X. BOARD COMMENTS

Brent Hartman—I agree with Mr. White. We need to look into this as it’s a safety issue; feels it’s a mixed message to drivers. Even though it’s legal doesn’t mean we should do it. Concern regarding bond—using money for a new sign on a building we plan to raze.

Gerry Dibble—Need to look at the flow of traffic regarding safety too. Need to check out the laws. He sees it in other districts too.

Pam Bryant—Many drivers go through when the red lights are flashing too.

Steve Roomsburg—Need clarification so it’s consistent in our community.

XI. ADJOURNMENT

Recommended Action: That the meeting be adjourned; the time being 6:28 p.m.
