A new generation of literacy instruction

ReadyGEN

Each Leveled Text Library includes more than 50 topically-related texts at every grade (6 copies each) aligned to the *ReadyGEN* Essential Question and Enduring Understandings. Teachers are encouraged to use the leveled texts in combination with their classroom instruction to help students develop self-extending reading and thinking strategies.

Leveled texts are ideal for small group or independent reading practice, and include texts at a wider range of complexity within each grade band.
