Steven Oginsky, PA-C is a graduate of the Jefferson College of Health Sciences in Roanoke, Va where he earned his Masters of Physician Assistant Degree. Prior to that he studied at Saginaw Valley State University and Olivet College where he earned his Bachelor's Degree in Biology and Pre-Medicine.

Steven is a National Health Service Scholar, who strives to provide medical care to underserved communities.

Steven's scope of practice is Family Medicine and he has special interest in Orthopedics and Pediatric/Teen Medicine.

He recently began working at the Oakridge Teen Health Center, as adolescent and teen medicine has always been of special interest to him. He was a former high school baseball and bowling coach and has mentored high school students for a very long time. He strives to work with his patients to feel open and honest when they come to the clinic. This helps to ensure the best medical care is completed in collaborative efforts with the families and patient. He is very excited to be a part of the Oakridge Community and looks forwards to providing medical care to your families.
