Attention Parents and  
Supportive Adults  
of  
Teens & Tweens!

*Talk Early & Talk Often®* is a nationally recognized workshop aimed at helping parents of middle & high school youth talk with their children about abstinence and sexuality. The workshop helps parents recognize and use opportunities to open the door for conversation, listen and respond with greater confidence and skill and to feel comfortable seeking outside sources of information.

*It's never too late to improve a relationship with a child or teenager. Don't underestimate the great need that children feel - at all ages - for close relationships with parents and other supportive adults as well as the need for guidance, approval, and support.*

*This workshop is free, however, space is limited. Please register early!*
