Trisha Lowery, 1567 Carr Rd: Great listening and we need to get Pre K for all kids in order to serve the kids that may have trauma before they get to the Lower Elementary. This process has been a great step and the passion to be heard. Thank you to all for listening.

VIII. BOARD COMMENTS

Jeff Kartes: Seeing alignment & passion it will make Strategic Plan 2.0 fun and exciting.

Brent Hartman: Good feedback, we know there are issues but don't want the process to stop with this current process. It was nice to see a more humanized Administration Team other than the positive reports we get monthly. I support the job that Mary Beth has done. What we can do better is to involve the community more.

George Tindall: We have a great thing going on here. The one thing that hit me tonight was a comment made to have the kids leave their worries at the door and just become a sponge and soak up the good learning.

Mike Smith: Thanks for all the feedback and it is good to hear this. I would like to do this on a regular basis as Brent has stated too.

Craig Scott: A heartfelt thanks for all of the sharing these past few days.
