

May 7, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for Oakridge Public Schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Pollie Gilchrist for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site <http://oakridgeschools.org/departments/academicprogram/annual-reports/>, or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data – Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT. The report presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

Accountability – Detail Data and Status

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

Teacher Qualification Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Review the table below listing our schools. For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Oakridge Lower Elementary	No Label	New Reading Program MTSS System Early Literacy
Oakridge Upper Elementary	No Label	New Reading Program MTSS System Piloting new Science Curriculum
Oakridge Middle School	No Label	New Science Curriculum MTSS System
Oakridge High School	No Label	NGSS Standards Interim Math Assessments 1:1 Environment MTSS System
Oakridge Fusion Program	No Label	Personalized Learning

While the quality of a school district is much more than test scores, it is one indicator the should review to understand the education provided at Oakridge Public Schools. Our district has demonstrated progress over the years in many areas such as extracurricular participation by students, increase in early college attendees, fine arts (band/choir/drama) performance quality, positive student behavior outcomes, and number of students successful in postsecondary education and the workplace. Oakridge is a great place to be!

Sincerely,

Thomas A. Livezey
Superintendent
Oakridge Public Schools
