Brent Hartman: Thanks, Pollie, for such great data. It is good to see that investing in good curriculum has paid off in growing test scores compared to our peers.

Gerry Dibble: Thanks, Pollie and Tom, for great information and data. It is good to see the return on investment in growing test scores for our kids.

Jeff Kartes: Great job, Pollie, great data and information. Kudos to our staff for the growth. The MASB training was great! I collaborated with other districts and Oakridge Public Schools is known as a good district that looks at the big picture.

Ronda Borgman: Thanks for all the good information, Pollie. This shows that the Board is working together well.

Mike Smith: Thanks, Pollie, for the great news and presentation. My Board service has been fun and enlightening. Thank you for letting me serve.

George Tindall: Great information, Pollie, thank you. Jeff and I attended the MASB Annual Leadership Conference and took CBA classes that were very informing. I had a couple of Data First classes that fit right in to Pollie's presentation on growth measurements. I believe in professional development and encourage everyone to learn new things every day.

Craig Scott: I deeply thank Mike for his service. Mike is service driven and our Board was better for him being on it. Thank you Gerry and Brent, you have both seen conflict in the past and may not have seen eye to eye, but always seem to agree to disagree with great professionalism.
