

South Carr School

Pre-School & ECSE

- Replace windows with energy efficient and larger windows
- Replace identified sections of roofing
- Replace boiler, piping, and classroom heating units
- Pre-School, Early Childhood Special Education, and Golden Eagles would stay in the building

Impact on Homeowners

Impact on homeowners depends on the taxable value of their home.

Home Market Value	Home Taxable Value *	Yearly Increase	Monthly Increase	Weekly Increase
\$20,000	\$10,000	\$12.40	\$1.03	\$0.24
\$40,000	\$20,000	\$24.80	\$2.07	\$0.48
\$60,000	\$30,000	\$37.20	\$3.10	\$0.72
\$80,000	\$40,000	\$49.60	\$4.13	\$0.95
\$100,000	\$50,000	\$62.00	\$5.17	\$1.19
\$120,000	\$60,000	\$74.40	\$6.20	\$1.43
\$140,000	\$70,000	\$86.80	\$7.23	\$1.67

* Taxable value is approximately half the market value of a home

Revenue

The proposed millage rate increase of 1.24 mills would generate

\$16,115,000

About two-thirds of the revenue would add space for increasing student enrollment

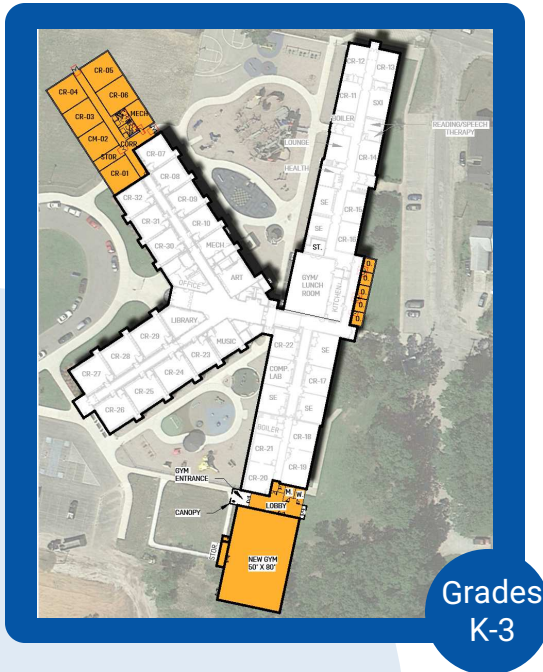

Bond Proposal 2019

For more details visit

OakridgeSchools.org/Bond

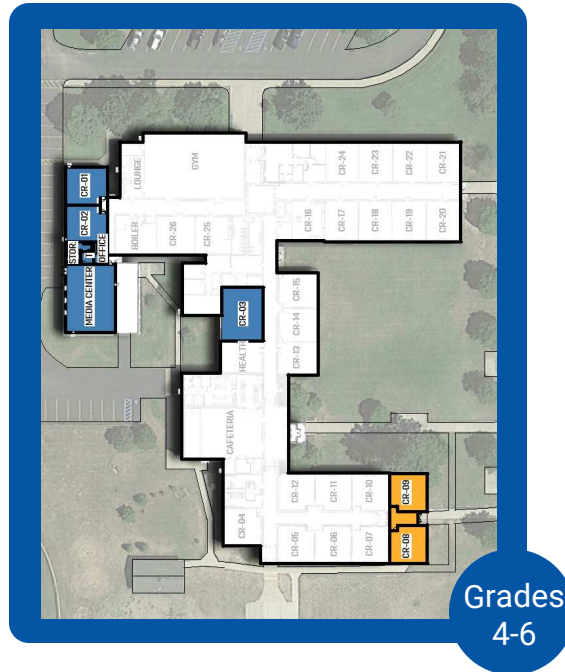

Lower Elementary

- Add six classrooms
