- Technical Writing

MI SCHOOLS WITH PROF. WRITING:

WELL, SOMEONE HAD TO WRITE THAT

vitamin^{water}

revive
fruit punch
Natural + other natural flavors.
(No vitamins & preservatives)

"You're a secret agent on another mission to save the world. You've escaped a jungle fortress, kicked the butts of thirty security guards, and fought off a pack of flesh-eating bears. Now, your commander says that a dozen extra vitamins are to increase your alert levels."

"Shouldn't send back up?" he asks. You check your frequency — bottled water, a slice of apple, and a pencil knife.

"Yes," you respond. "Just another name review fruit punch. It's too fine."

One career opportunity for professionals writers is writing for celebrities or politicians.

Another option? Writing silly labels for Vitamin Water.

The skills you learn as professional writing major prepare you for whatever job you want!
